

# Simply Better Skin

## Happy New Year!

### Letter from your Aesthetician

It's a new year which means a fresh start! For me, that means cleaning out and donating things my family no longer needs, and reorganizing areas of my house for better functionality.

It's also a time when I reflect upon the year that has passed and set some intentions for the year ahead. Here's what I have in mind for Simply Better Skin:

First, I will bring back the monthly specials!

Secondly, I will be offering some virtual classes and workshops.

And third, I will continue my own practical and hands-on education in order to provide you with the latest science, and the best facial treatments.

I am also keeping up with the the latest restrictions and allowed business openings. I've estimated that I will be able to reopen in March, maybe late February. In the meantime, check out my classes and workshops below. And, as always, I am well stocked with products and continuing to fill orders.

I do hope you had a lovely holiday season and that you are finding ways to enjoy the new year.

Be well,

Judy Rivera
